CALL FOR APPLICATIONS
for the graduate/master's programme in English
DISCRETE MATHEMATICS AND ITS APPLICATIONS
for the academic year 2025/2026

Discrete Mathematics and its Applications is a 2-year university programme in English leading to the academic degree of Master of Science in Mathematics.

The maximum number of students admitted in the academic year 2025/2026 is 10.

The academic year starts in October 2025 and admission is only possible for the winter semester.

Tuition fees of 4000 EURO are charged for each academic year.

Admission requirement:

Undergraduate degree (BA /BSc) in the field of mathematics (at least 180 ECTS credits or equivalent)

Application procedure:

STEP 1: Submission of the foreign Bachelor's degree to the Academic Recognition Qualifications Office.

STEP 2: Applicants must complete the "Application Form - Graduate university study programme Discrete Mathematics and Its Applications" (available here) and attach the following documents:

- A proof of citizenship (copy of passport or ID)
- A scanned copy of your diploma (Bachelor's degree or equivalent)
- A translation of this certificate into English or Croatian, if necessary
- A scanned copy of your official grade list or diploma supplement of your undergraduate degree
- A translation of the grade list into English or Croatian, if necessary
- Recognition of the foreign Bachelor's degree certificate (from the University Recognition Office)

Applications should be submitted to the Faculty of Mathematics either in person, sent by e-mail to math@math.uniri.hr or by post to the following address: Faculty of Mathematics, University of Rijeka, Radmile Matejčić 2, 51000 Rijeka, Croatia.

Incomplete and late applications will not be considered.

First application cycle

Applications must be submitted by midnight on 8th May 2025.

All applicants will be informed of the results of their applications no later than 20th May 2025.

Second application cycle

If there are still places available after the summer application cycle, the autumn application cycle will be activated.

Applications must be submitted in person or by email by midnight on 28th August 2025.

All applicants will be informed of the results of their applications no later than 3rd September 2025.

STEP 3: The results of each cycle will also be published on the official website of the Faculty https://www.math.uniri.hr/en/dma.html.

The deadline for appeals is 72 hours after the announcement of the results.

Enrolment information:

Enrolment for successful applicants will take place at the end of September 2025, at the University of Rijeka, Faculty of Mathematics, Radmile Matejčić 2, 51000 Rijeka, after the final ranking list has been

published. Applicants who are ranked within the quota and have received an enrolment number are eligible to enrol on the programme. The exact dates for enrolment and all details will be published on the Faculty's website.

Your enrolment is only valid for one academic year at a time.

Please note that a standard enrolment fee is charged for each academic year, in accordance with the decision of the University Senate.

Tuition fee is paid in full upon enrolment.

Students from countries outside the European Union should contact their local Croatian Embassy as soon as possible to find out whether they need a visa to enter and study in the Republic of Croatia.
